

THE **ORHD** KNIT UTILITY

SAFETY HAND PROTECTION

Gain more control during oil and gas drilling operations without sacrificing impact protection with the flexible ORHD® Knit Utility. The high-visibility shell is constructed with 13-gauge machine knit polyester that form-fits the hand for improved manual operation. Thermal Plastic Rubber (TPR) safeguards the knuckles, metacarpals, fingers, and thumb from impact and abrasion injuries on the rig.

IMPACT PROTECTION

Complete impact resistance and pinch-point fingertip protection.

GRIP

Nitrile dipped palm for enhanced grip in dry, oily and wet conditions.
